Tobacco products to which such a claim relates must be shown as removed on determination of tax in the return covering the period during which such products were so removed. Upon action on the claim by the appropriate TTB officer he will return the copy of TTB F 5620.8 to the manufacturer as notice of such action, which copy, with the copy of any verified supporting schedules, shall be retained by the manufacturer. When such notification of allowance of the claim or any part thereof is received prior to the time the return covering the tax on the tobacco products to which the claim relates is to be filed, the manufacturer may make an adjusting entry and explanatory statement in that tax return. Where the notice of allowance is received after the filing of the return and taxpayment of the tobacco products to which the claim relates, the manufacturer may make an adjusting entry and explanatory statement in the next tax return(s) to the extent necessary to take credit in the amount of the allowance.
